

Criminal Justice Degree–Corrections Concentration (CJCD)

There are several good reasons to pursue or continue your education in criminal justice: 1. it is one of the fastest growing job markets in the nation; 2. as crime changes and criminals become more sophisticated, criminal justice professionals must increase their knowledge, skills, and sophistication in enforcing laws; 3. the public continues to demand higher standards and effectiveness of criminal justice officials; 4. through various pay incentive programs, corrections personnel may receive salary increases by pursuing higher education; and 5. Criminal Justice is a good foundation for those pursuing a career in law. The corrections concentration focuses on counseling and rehabilitation of offenders, probation, parole, community corrections, and juvenile services. **The Criminal Justice program is approved as a Police Career Incentive Program by the Massachusetts Department of Higher Education.**
