PROFESSIONAL DEVELOPMENT FUNDS

POLICY STATEMENT

Faculty and staff customarily request professional development funds (example: conference fees, ground and/or air travel, accommodations, etc.) from the college, the Foundation, or a grant. Effective August 28, 2002, faculty and staff must follow the guidelines below when requesting professional development funds of $200 or more for one activity.

PROCEDURES

1. Faculty and staff must complete a Professional Development Funds Application Form and a Travel Authorization Form. These forms are available from Pat Dakota, Staff Associate, Administrative Services. The forms must be signed by the traveler, the immediate supervisor, and the appropriate dean and then returned to Pat Dakota, Administrative Services, at least 30 days prior to the intended travel date.

2. These forms will be retained in Administrative Services until, on or about, the fifteenth of each month at which time the Vice Presidents of Administrative Services, Academic Affairs, and Student Services, the Associate Vice President of Academic Affairs, and the Executive Director of the Foundation will meet to review the applications received to date.

Since the middle of each month (on or before the fifteenth) is the ONLY time the Professional Development Fund Review Team will meet, early submission is strongly encouraged.

3. Each applicant will receive official notice no later than five working days after the meeting date, on or before the fifteenth of each month, regarding the status of the request. The original documentation will be forwarded to the College Business Office with a copy returned to the applicant.

4. Each applicant will be required to file a Professional Development Funds Report Form (available from Pat Dakota), no later than ten working days after the activity has been completed. This form must be signed by the immediate supervisor and the appropriate Vice President and forwarded to Pat Dakota in the Administrative Services office. Reimbursement will occur as soon as possible after the Report Form has been filed along with receipts for associated expenditures.

ORIGINAL DOCUMENT, WITH SIGNATURES, MUST GO TO COLLEGE BUSINESS OFFICE

NOTE: Copy to Security Office (State Vehicle Request – only)
NOTE: For liability reasons, a Travel Authorization Form is **REQUIRED** for all college-related travel even if travel is local and there are no associated costs. **This form must be submitted and approved PRIOR to travel.** Back up documentation to substantiate the trip MUST be included. (appropriate documentation can include a meeting notice, agenda, an email meeting announcement, a brochure, etc.)

Required information includes: name of traveler (employee), date(s) of trip, destination, trip’s estimated duration, purpose of trip, and back-up documentation supporting the travel. (examples: meeting notice, conference brochure, etc.) – even if reimbursement is not requested. The form also asks you to denote in-state/out-of-state, personal or state vehicle, and “permission only” designations. Estimated costs, if reimbursement is requested, must be noted appropriately. No reimbursement will be made without required receipts and odometer readings.

1. You must fill out a **Travel Authorization Form** with estimated or actual costs associated with your travel **before you travel**. Please **read** the rules on the bottom of the travel form. If travel costs equal or exceed $200, you must obtain a Professional Development Fund Travel package from Administrative Services.

2. The **Travel Authorization Form** must have the following signatures:
   
   - Your signature
   - Cost Center Supervisor/Grant Director
   - Appropriate Vice President
   - Vice President of Administrative Services
   - President *(only if out-of-state)*

3. For reimbursement, please submit receipts and actual odometer readings, **after travel has been completed**, to the College Business Office.

4. For lodging to be paid in advance, please obtain the necessary hotel confirmation with the dollar amount per night (and any taxes) and attach this documentation to your travel form. Receipts are required for lodging costs to be reimbursed.

5. The College will **not** pay for charges on your bill associated with personal phone calls, food, movies, exercise rooms, etc.

6. For travel status of **24 hours or more**, the College will reimburse the traveler for meal costs at the state approved rates (see form). Contact the Office of Administrative Services or the College Business Office if there are questions regarding this matter.

7. Mileage will be allowed from your home to the meeting/conference or from your place of employment to the meeting/conference, whichever is the **shorter** distance.

8. If you submit travel with all the proper signatures, but a **zero** dollar amount and then expect to be reimbursed you will receive nothing; so, be sure to put down estimates that you think may be associated with this travel. "Permission Only" means that you do not expect to be reimbursed for costs associated with travel.

9. The state vehicle is an excellent alternative to using a personal vehicle. Contact the Security Office, ext. 150, to determine availability. A **Travel Authorization Form** must be submitted even when using a state vehicle.

**YOU MUST HAVE RECEIPTS FOR ALL EXPENDITURES (EXCEPT MEALS) IF YOU EXPECT REIMBURSEMENT. IF YOU PAID BY CHECK, MAKE SURE YOU SUPPLY A COPY OF THE FRONT AND BACK OF YOUR CANCELLED CHECK. WHEN USING A CREDIT CARD, PROVIDE RECEIPT OR CREDIT CARD STATEMENT.**
