*Denotes a concentration of an associate degree.

Discover your opportunities
MWCC is an accredited, public two-year institution serving 29 communities in central Massachusetts. Offering more than 60 associate degrees leading to bachelor’s degree programs at UMass Amherst and the University of Massachusetts Lowell, MWCC also offers over 40 associate degree and certificate programs, adult basic education/GED programs, education and training for business and industry, and noncredit community service programs. MWCC is committed to meeting the needs of its students, including the Academic Support Center, the Fitness and Wellness Center, and the academic and career advisor. The college is dedicated to providing opportunity for all learners, offering the job and transfer. MWCC Community College Gardner • Leominster • Devens www.mwcc.edu
Train for a career.

Come to MWCC to prepare for high-demand careers in fields such as healthcare, technology, criminal justice, early childcare education, graphic design, automotive technology, biotechnology, broadcasting, business, computer science, healthcare administration, and paralegal studies.

Transfer to a four-year college or university (save $30,000)

If your goal is to transfer your Bachelor’s degree at MWCC, maintain solid transfer agreements with both public and private institutions. MWCC is a mid-size community college located in Zone 2 of the Massachusetts Transfer Pathway. MWCC has three transfer areas in which students choose: Associate Degree, a Bachelor’s Degree, or a Master’s Degree.

Begin your future here.

You’ll immediately feel that Mount Wachusett Community College is for you. That’s because we are truly a community. We are a place where you will find encouraging and caring faculty and staff who want you to succeed. You can plan for your next academic and professional endeavors as a part of the MWCC community.

Upgrade your skills or take courses for fun.

Whatever your learning journey, MWCC offers short-term, noncredit courses to help you acquire new skills, launch a new career, or pursue an interest. You may complete the required twenty or more courses in as many as 24 months. Many students have successfully acquired their certification, associate degree, and bachelor’s degree.

At MWCC, you will be prepared.

Associate Degree programs for a career or transfer to a baccalaureate college or university. According to Labour Market Information, 81% of associate-degree graduates at MWCC are employed in their fields within one year of graduation. Many students have started their own businesses, and some have gone on to earn a bachelor’s degree.

Certificates are ideal for quickly acquiring training in a new career or strengthening current skills or passions. In addition, many associate degree programs have a certificate component, so you can acquire a certificate to complete your associate degree.

We mean business.

Businesses and organizations can customize employees' skills, knowledge, and training with our efficient and quality training. MWCC Business and Industry Services offers training programs for small and large businesses—please contact us for more information.

Contact us (978) 630-9284, email admissions@mwcc.mass.edu, or stop by to schedule a campus visit.

Discover your opportunities

MWCC is an accredited, public two-year institution serving 26 communities in North Central Massachusetts. Other programs are located on campus in Leominster and Devens. MWCC offers over 40 associate degree and certificate programs, adult basic education/GED programs, education and training for business and industry, and noncredit community service programs.

Mission Statement

MWCC is dedicated to providing high-quality learning opportunities and services to students, the communities it serves, and the world. MWCC’s role is to prepare students, through a student-centered, diverse, and dynamic learning environment, for productive personal and professional lives.
