What is r.a.d.KIDS?

A “r.a.d.KID” is a cool kid who won’t let anyone hurt them. The r.a.d.KIDS program at Mount Wachusett Community College provides children with the tools, knowledge and power to recognize and avoid danger as well as to resist and protect themselves from physical abuse. r.a.d.KIDS was founded by a dedicated alliance of educators, law enforcement professionals, personal safety experts and concerned parents. r.a.d.KIDS is a comprehensive, foundational safety education program for children, taught by our very own r.a.d.KIDS certified MWCC Campus Police Officers. r.a.d.KIDS focuses on seven core areas:

✓ Home Safety
✓ School Safety
✓ Vehicle Safety
✓ Out-and-About Safety
✓ Self-Realization of Personal Power
✓ Stranger Tricks (including Physical Defense against Abduction)
✓ Personal Safety (including Good, Bad, and Uncomfortable Touch)

More information can be found by visiting the Campus Police Website at [http://campuspolice.mwcc.edu](http://campuspolice.mwcc.edu)
